# INTRODUCTORY PAGES...

### Dear Readers,

Within these pages you will find a collage of pictures which record many of the events that took place at Warwick Academy during the school year 1998/99. Enjoy the fun a yearbook brings. Gather autographs, look for pictures of your friends and teachers, have a few laughs.

However, remember to take care of this little book. Browse through it at intervals in the future, because it represents a part of your past. It is not just meant for today, but for ten, twenty, thirty years from now. Trust me, you will look for yourself in this book in the future, and be amazed at how young, and how wonderful you looked!

May I take this opportunity to thank those teachers and students who provided photos, designed pages, and generally lent me their support. They are Mrs Manders, Miss Rickards, Akilah Simmons, Melissa Trott, DeShae DeShields, Sionna Barton, Richard Ambrosio, Lee Holder, Richard Flood, and Samatha DeCouto.

Sincerely, Susan Judd

Yearbook Coordinator.

Thank-you very much for your Support.

There is no greater honour than to bestow the title of a friend upon an individual.

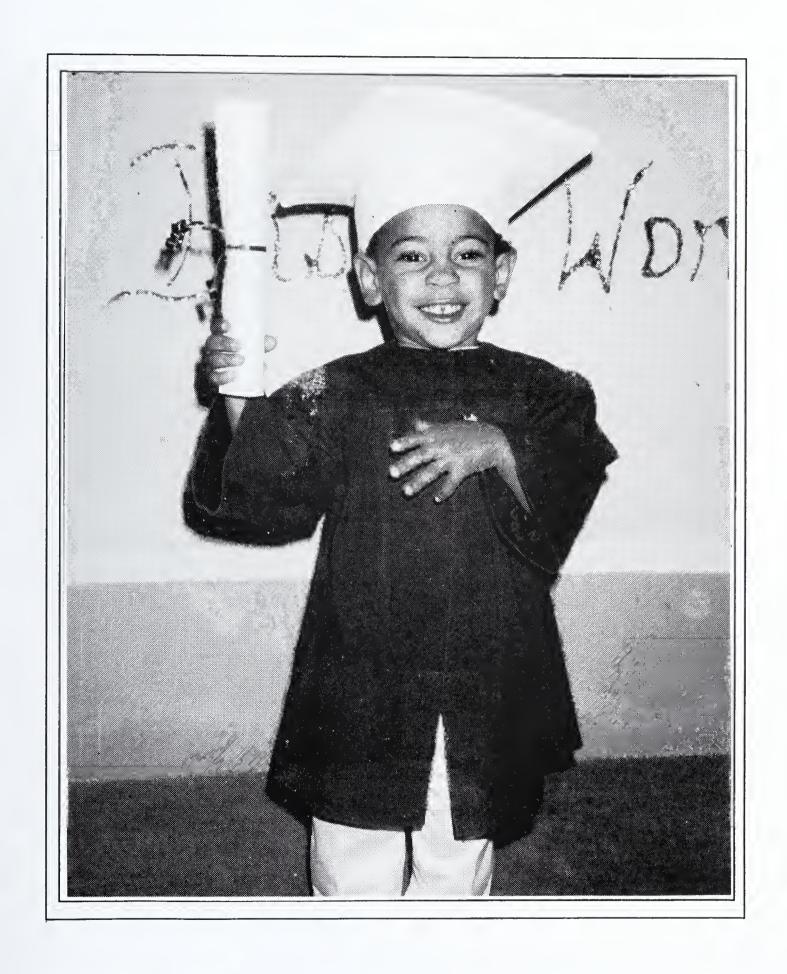

There is no greater love than to unconditionally bond from the loyalty of the heart.

There is no greater gift than to tenderly clasp a hand, humbly touch a heart and eternally bless a life with the greatest of gifts: Friendship.

Secondary School students who received Second Honours (75 - 79%) for the School Year 1998/99 were:

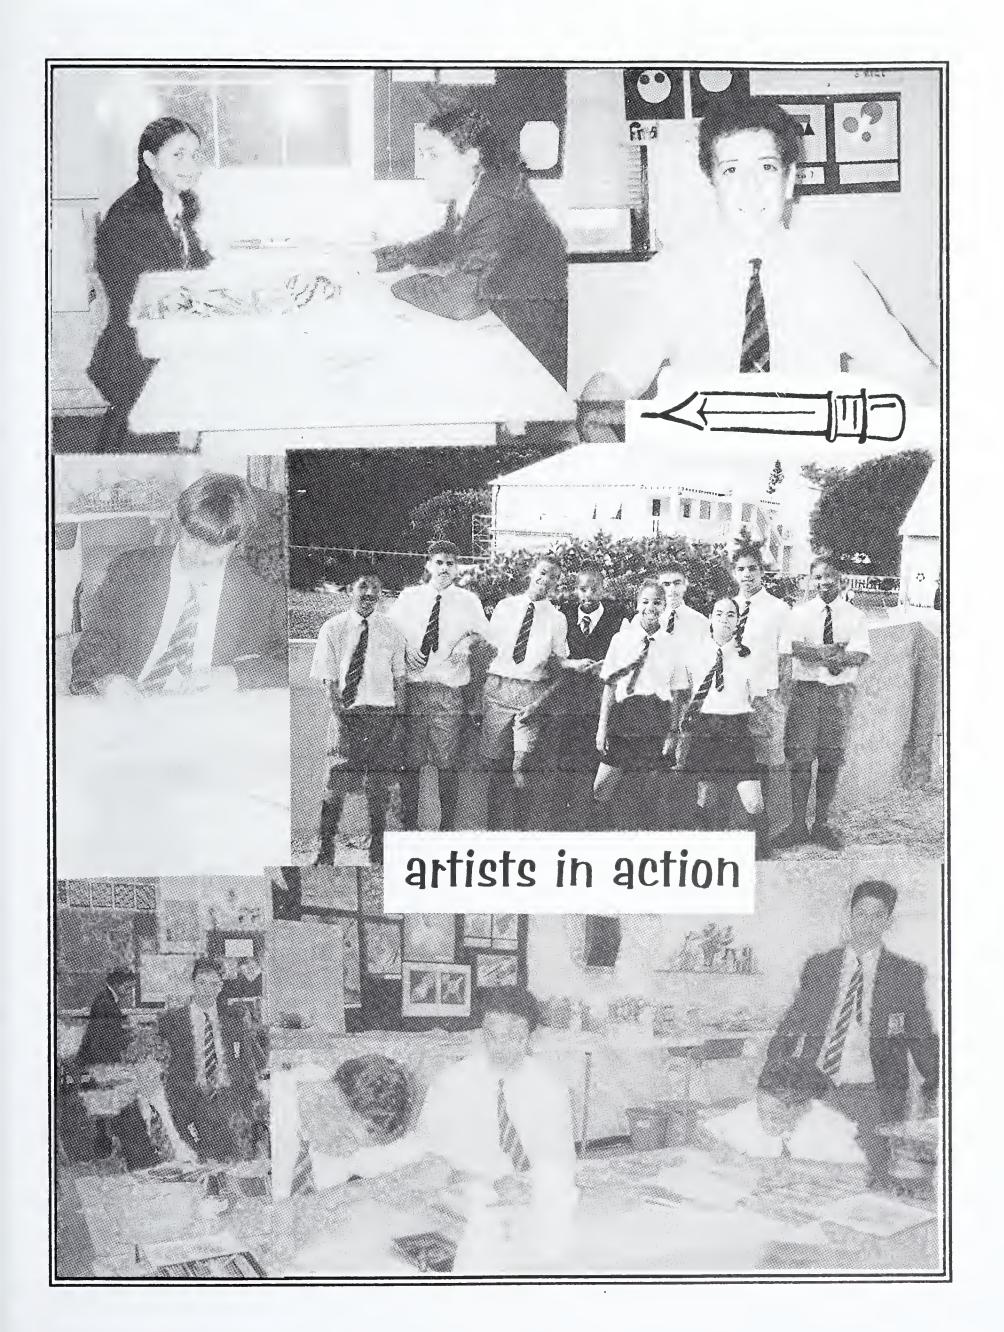

Sarah Alderson, Stanley Amaro, Nathan Atcheson, Adrian Black, Heldar Carreiro, William Cooper, Whitney Darrell, Shakeya De Roza, Darren Desilva, G'ane Everheart, Neill Forrest, Dionne Greene, Russell Griffith, Roneika Hall, Alexis Haynes, Daniel Holberton, Dorielle Hurdle, Osei James, Nastassja Johnston, Timothy Khoo, Leigh King, Markez Laws, Terry Lister, Adrian Lodge, Jamie Macmillan, Amanda Mcdaid, Susanna Merlo, Paolo O'doli, Daniel Olson, Emma Rego, Peter Rego, Robert Scotton, Zikomo Simmons, Warren Simmons, Renee Simons, Derrick Simons, Steven Simons, Jordan Smith, Christian Smith, Jeffrey Steynor, Jennecka Stovell, Nicole Stuart, Erika-Rae Suber, Robert Taussig, Melissa Trott, Leticia Trott, Jay Tucker, Sara-Ann Tucker, Romari Tucker, Jason Wade, Kendelle Webb, Chas Williams-Grant, Ilona Wolf, Jennifer Young, Neville Zuill.

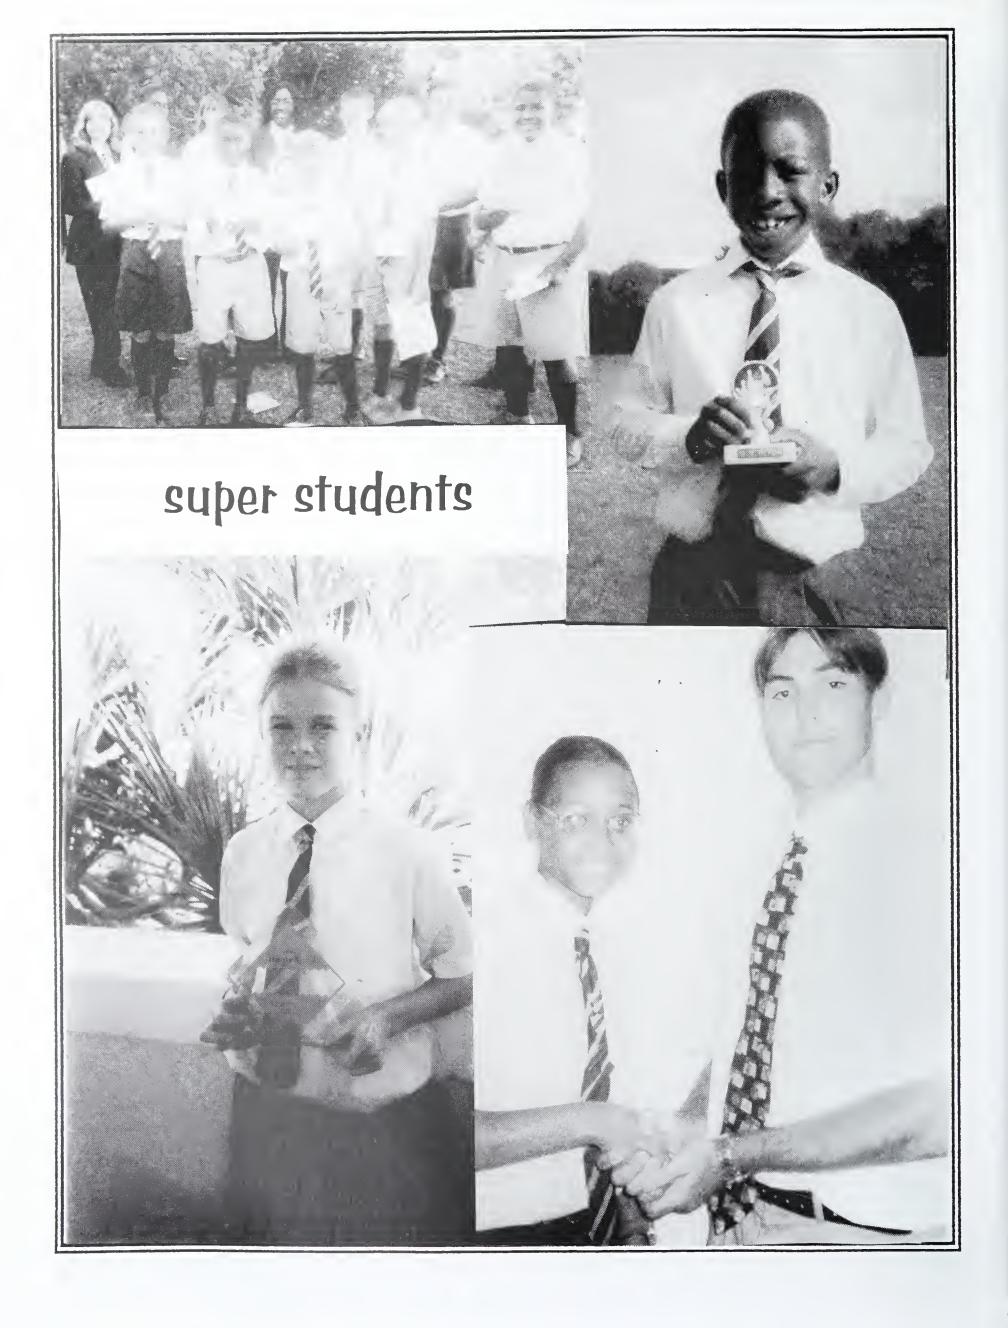

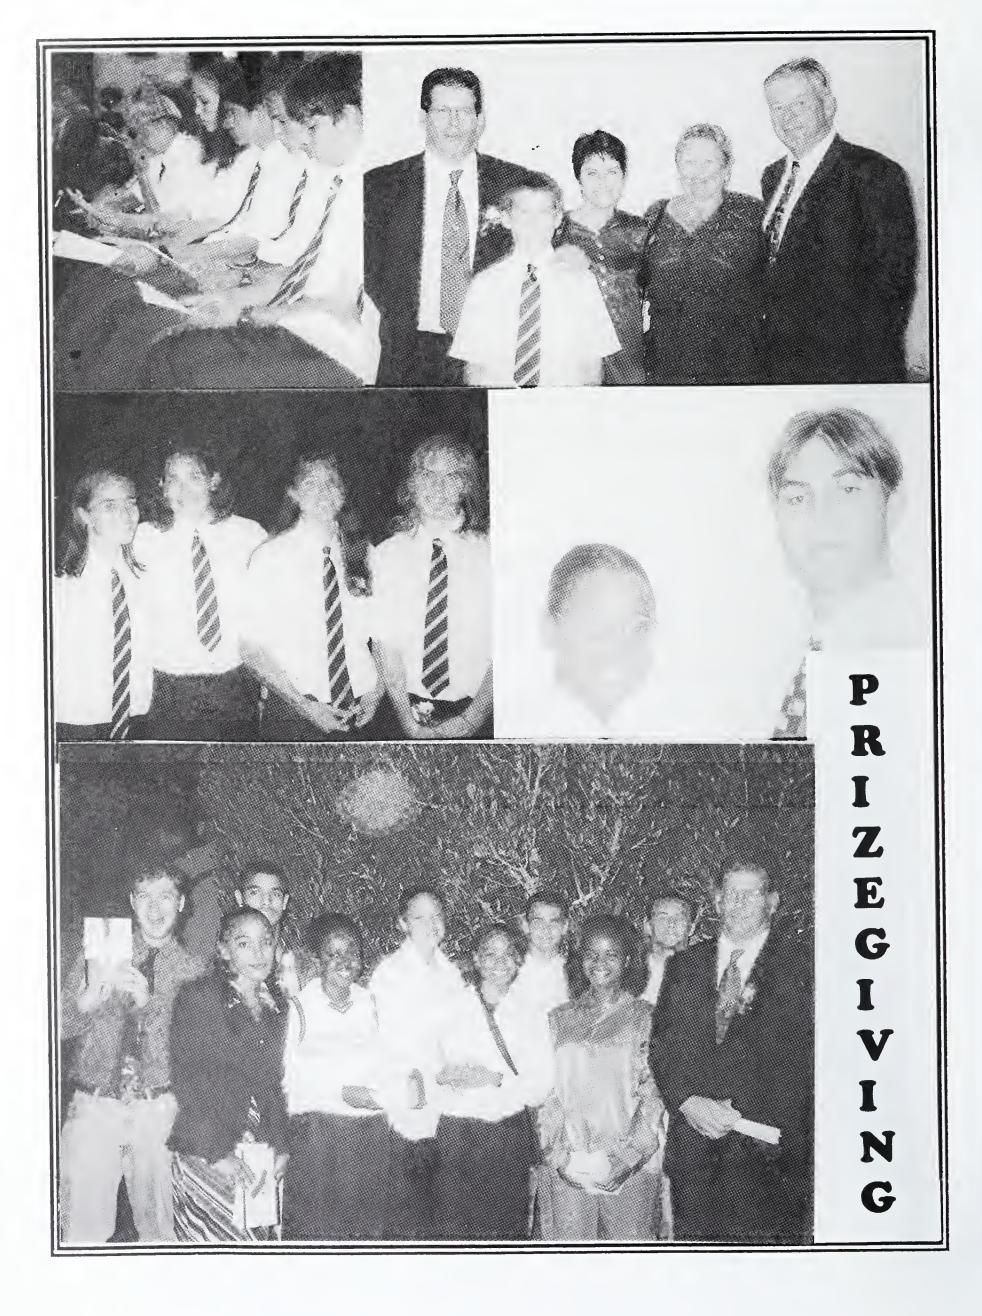

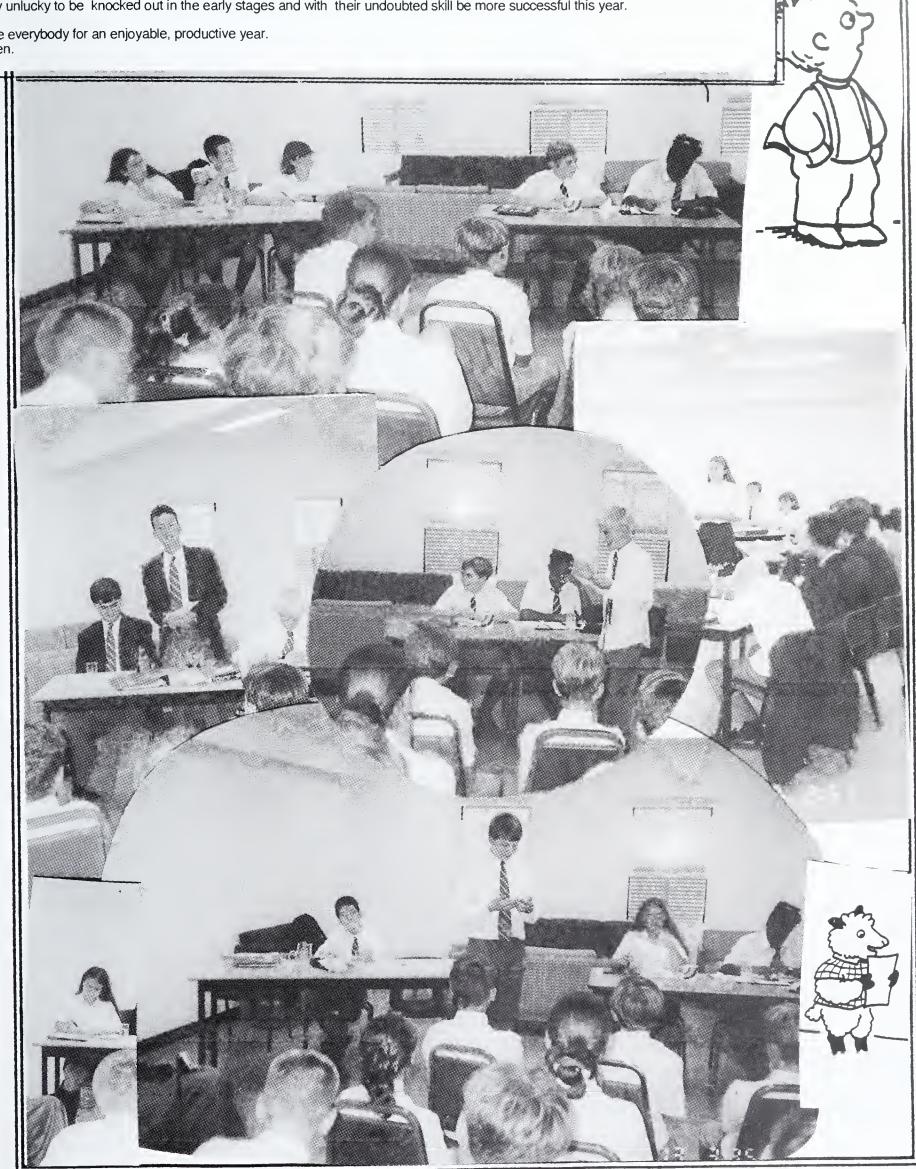

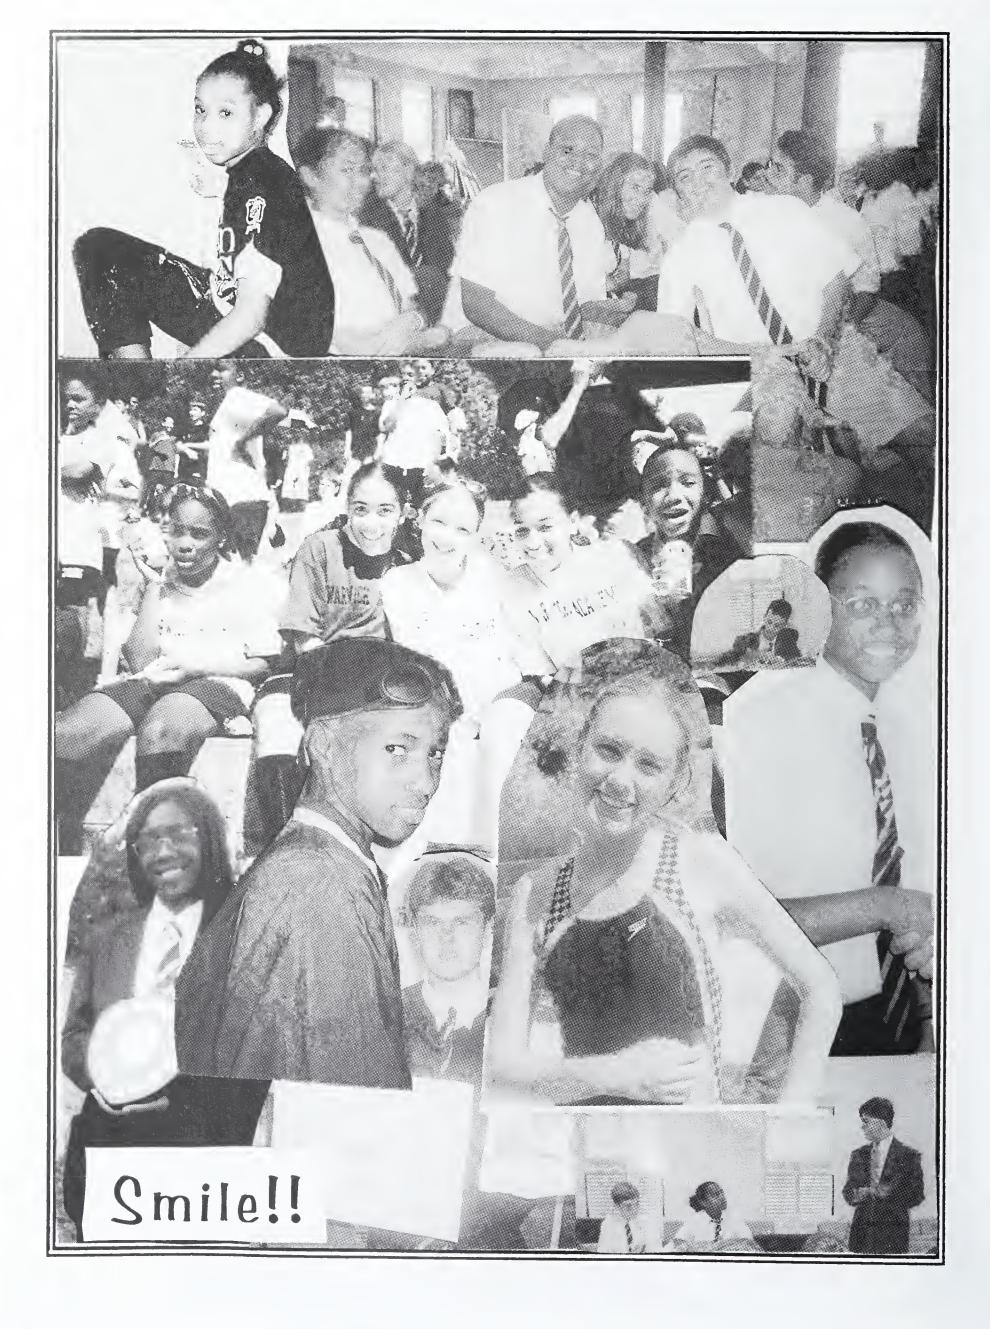

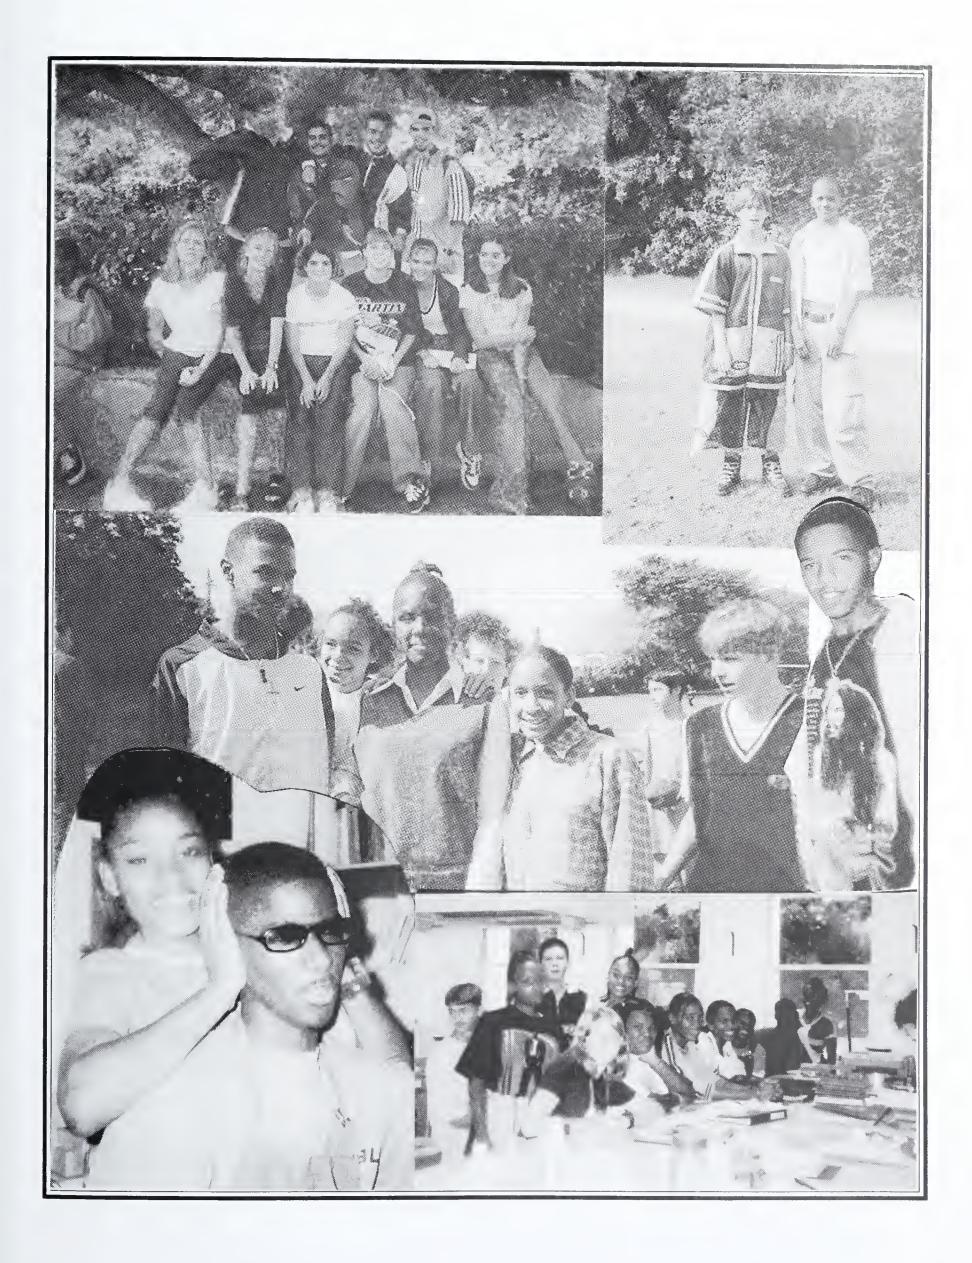

Earlier last academic year, St Andrew's School in Ontario, Canada visited us for a cultural exchange programme. They were invited by the English Speaking Union, Junior Debating League to be involved in a serires of inter-school debate against teams from Warwick Academy. Happily, it was a learning and enjoyable experience for all, with our teams winning all their matches convicingly. As you can see from the photographs, last year's 1 Music were enthusiastically involved as the audience 'floor' for the debate. Debating is now a very popular extra-curricular activity amongst Middle School students at Warwick Academy, so much so that we may even have three teams representing us in this year's 1999 National Tournament at Bermuda College.

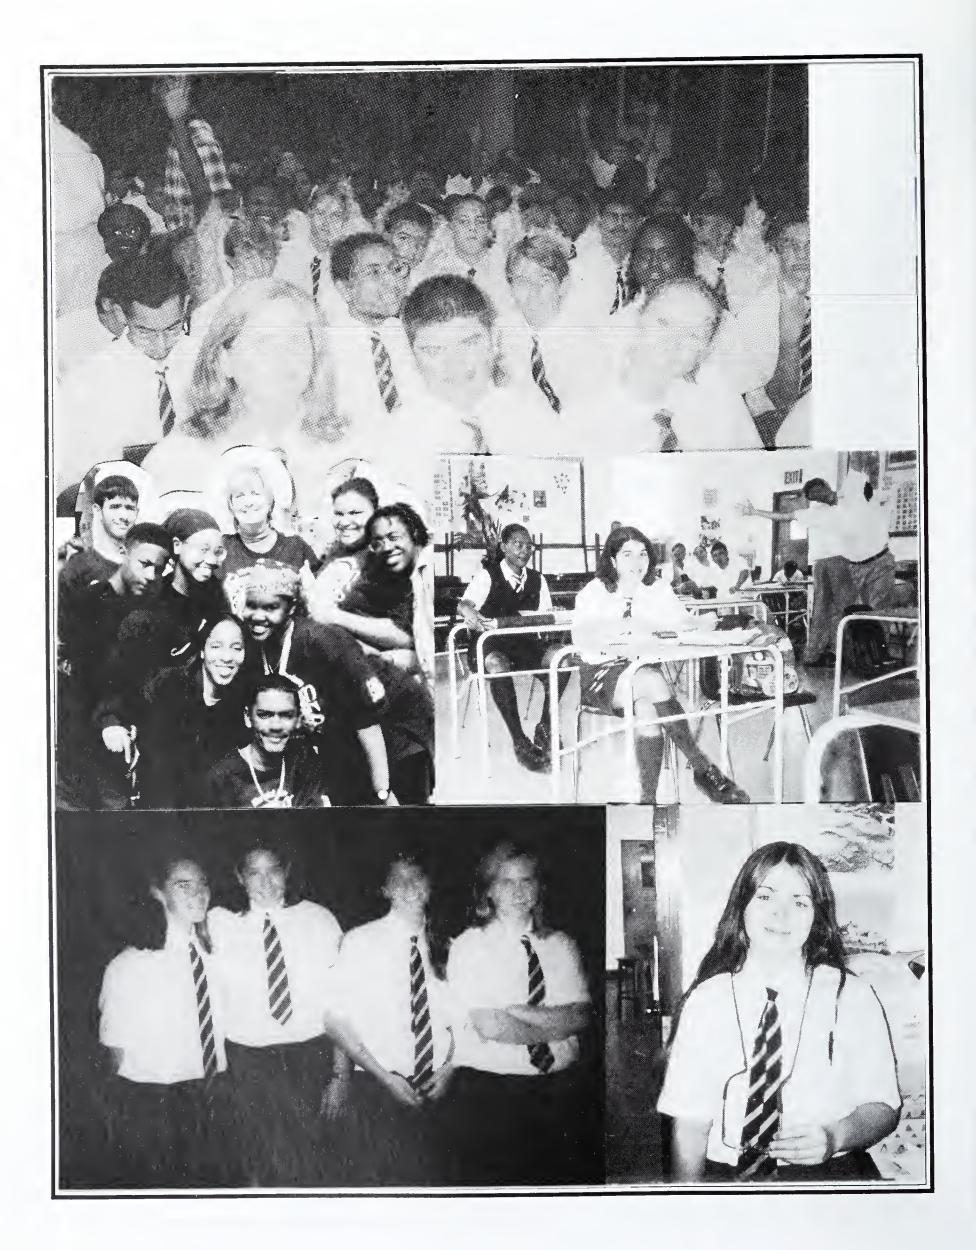

As further proof of the strength of ability and enthusiastic commitment of the Warwick Academy de baters, the Middle School team of John McKenna (captain) 1M, Samantha Flood 2M, and Patrick Suter 1M won the 1998 National Tournament at Bermuda College with impressive wins all the way through the competition. The Senior team of Jay Butler (captain) 4M, Christine Mayor and Jonathan Suter 3M were very unlucky to be knocked out in the early stages and with their undoubted skill be more successful this year.

Well done everybody for an enjoyable, productive year. Mr Hassen.

### Science Club Report 1999

The Science Club met on Thursday evenings in Mr Wrigley's lab during the Easter and Summer terms. Our first project was the School Engineering competition run by the Bermuda Association of Professional Engineers.

Warwick Academy placed in the top two positions in in this competition held at Cedar Bridge.

The object of the competition was to build the lightest bridge, made only of pasta and glue, which supported a 2kg bag of sugar acoss a 10 inch span.

40 entries were received with seven coming from Warwick Academy.

Jay Tucker placed *first* with a bridge weighing 48g with Neville Zuill second at 70g. Other successful bridges came from Patrick Suter and Jessica Wrigley with unsuccessful bridges from Sean Tucker, Michael Darrell and Gregory Suter.

Jay won a computer and a plaque for himself **and** \$700 for the school. Neville wins \$350 for himself **and** \$350 for the school. All entries, successful or otherwise, received a certificate of participation.

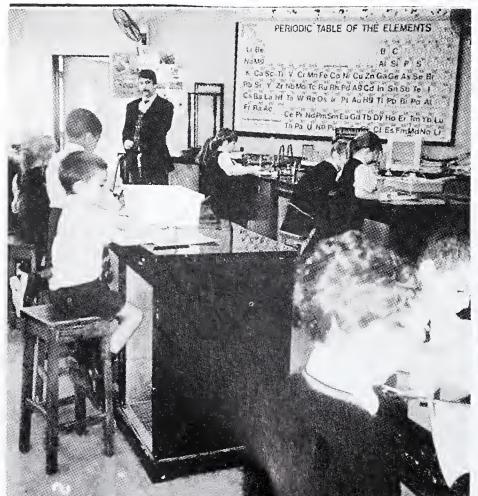

Jay and Neville were featured on the radio on power 95 together with the third placed winner and were invited to the Engineer's Annual dinner.

The second big project of the Science club was the annual entry into the Agricultural Exhibition in which the school again won first prize for the **best secondary school aquarium**. This was mainly the work of Neville Zuill and Sarah Alderson.

The science club went on to build water rockets which were blasted off on the school field. They also analysed chips and coca cola and carried out a distillation.

### PATTON HOUSE 1998-1999

Patton house enjoyed a successful year academically and in the sports arena. We also continued our community work with the Lorraine Rest Home.

We started the year with a first place win in the swimming, which is one of our strongest areas. In the soccer, basketball O14G, and basketball O14B, we finished second, first and third respectively. In the O14B and U14B we finished second and first!

The scooterball which seems to be a real poisy favourite with our

The scooterball which seems to be a real noisy favourite with our house we finished first.

For the first time we this year we had a afternoon of activities that did not just include sport, every student from our house had to participate. The events included art, chess, checkers, softball, connect 4, and table tennis. This was a great afternoon and we had alot of fun. Our house is a strong believer of participation and team work, and it pays off!

In the track and field we finished first, with many people participating in events that they were not especially good at but they played on the team.

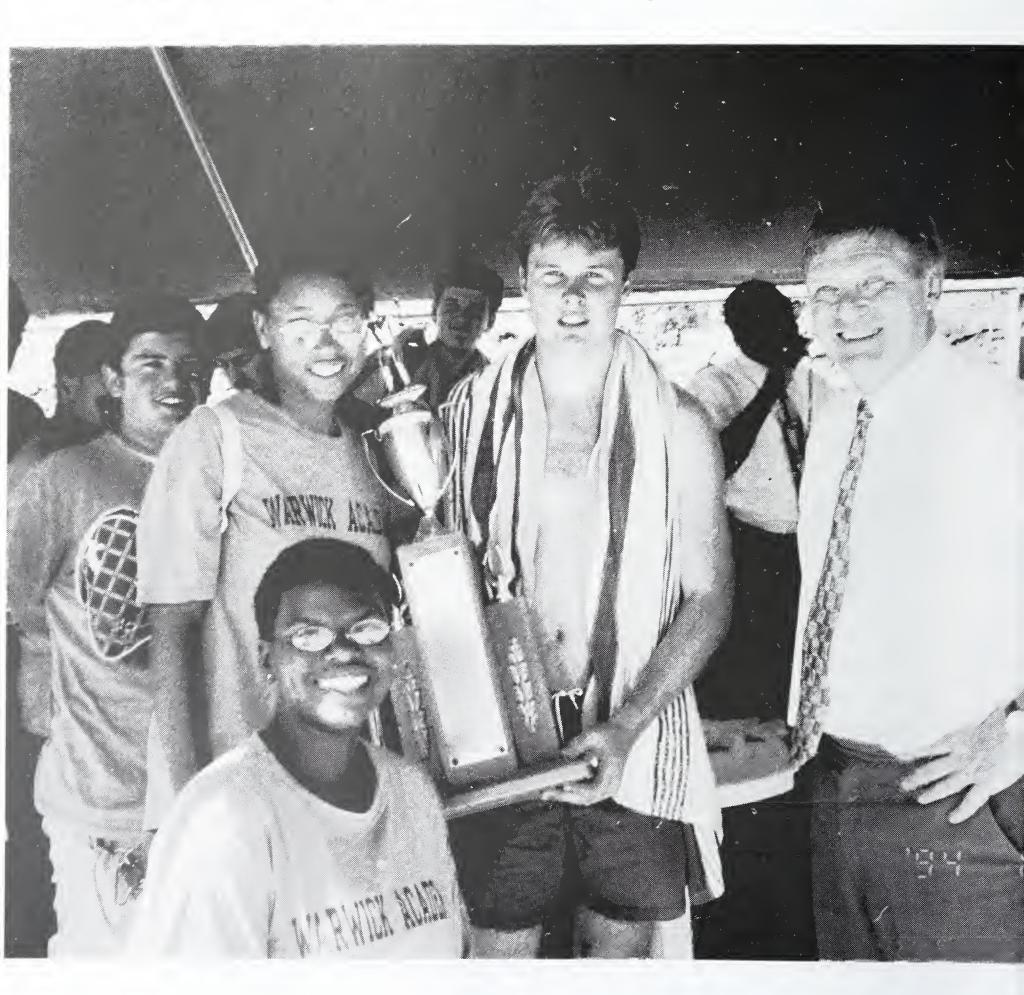

The positive discipline scheme and merits saw us see-saw from first and second place all year, but on the final count with the gold and diplomas being awarded we finished second with a total of 35150.

Overall in the sports events we came out in first place with a total of 6150.

Our involvement with the Lorraine Rest Home continued. Each activity that we helped in made us feel so good about ourselves. Halloween and Trick and Treats for the residents was fun, as was the Christmas stocking giving. We thank our parents for their support in these events.

Overall a good year! We did well! Jay Tucker Year 1

### PATTON HOUSE WINNERS 1998/99.

### Middle School Girls Basketball.

The girls team has trained and worked hard this season. While we do not know our final league standings we have only lost one game.

We entered the tournament as the new team on the block and showed we were a team to be reckoned with.

In the second round we played the tournament favourites Spice Valley, the full time score was 13 to 13.

In overtime we definitely showed our skill and speed and came out with a win of 18 to 16.

At this stage the tournament was double elimination, so we had to lose twice to be knocked out.

Next we played Whitney in the semi-final. We played in a confident manner the whole game and produced a solid win of 30 to 22.

We played the final yesterday at MSA, against Whitney! We had a very slow start and did lack movement and aggression. At 1/4 time we were losing 6 to 2.

At half time we were losing 14 to 6. We seemed unable to penetrate into the zone or score.

It was now we had to go into third gear and prove we were the team worthy of first place. The girls became faster, moved more, and played in a more aggressive way, with excellent support from the bench. At the end of the third quarter we were still losing 16 to 11.

However this motivated us to fifth gear and not once did we put our heads down or give up. We were working as a team. This proved to be our best defense.

Final score 18 to 16 to Warwick Academy!

The girls showed fine spirit. It was a GREAT game by both teams!!!

Robertson House 1998-99.

Robertson had a great year on the sports field. We won the Soccer, Volleyball, Softball, and Primary Swimming events. Ki-Juan Minors and Char-Lee Simons ably led the House to 2<sup>nd</sup> place overall, well ahead of the other two houses. The sporting highlight (as far as excitement was concerned) was probably the Senior Swimming Gala. Its was fiercely contested on a glorious day, with our house getting nudged out of first place at the very end. The team, led by Jessica Sousa, showed great determination. A new sports day which included such 'events' as chess, table tennis and art, was a huge success judging by the level of excitement on the day; there was something for everyone. Mr Hall

### Golf Club Report 1999

The golf Club met on Monday evening in the Summer term and began on the school field to work on their short iron play. Belmont Golf Course were kind enough to allow us to use their facilities and we progressed onto their putting green and the course itself.

The golf team played in the inaugural high school golf championships at Port Royal golf course came fifth out of seven teams. The team is to be congratulated for this effort as their average age was about three years less than most of the other teams and the competition was held from the blue tees.

Ryan Mello placed second in the individual competition with a fine 74 while Darius Gordyk won a prize for a nearest the pin on the 16th hole.

All members of the squad received a certificate and we are now looking forward to next year's competition.

Congratulations also go to **Ryan Mello** who won the B.J.G.A. 's Glidden Bowl tournament over Easter and to **Tyler Marshall** who won his age group in the same tournament.

Ryan also went on to place fourth in the Bermuda Amateur Strokeplay Championships held at Port Royal Golf Club in June.

### Damien Matthews - Top Junior A Bowler

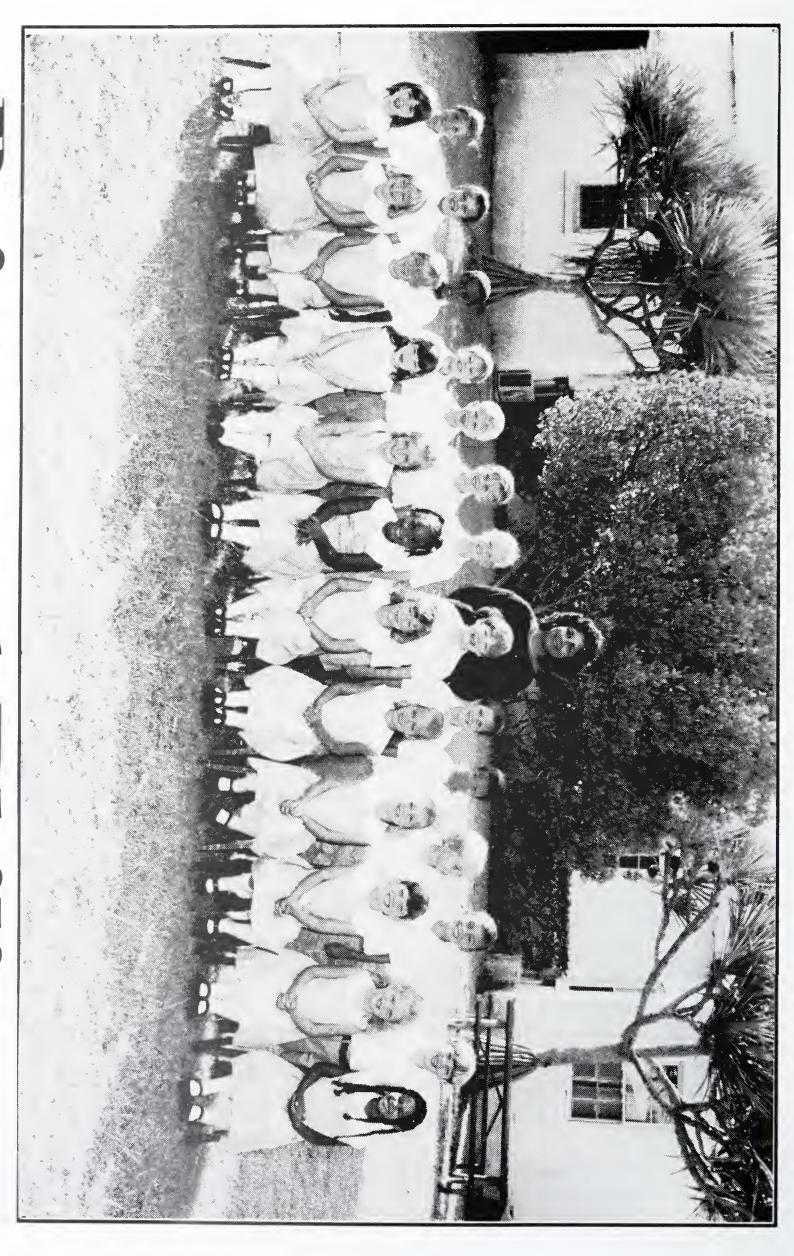

Damien Matthews walked off with the spoils at the recent Prize presentation of the Bermuda Junior Bowling Association. Senator Patrice Parris was the guest speaker and presented the prizes to the junior bowlers.

Damien, competing in the Junior A division, was the top bowler for the season. Improving his average by 50 pins to 158, he won trophies for High Average Boy, 1<sup>st</sup> Place High Series Boy, Total Pins, 1<sup>st</sup> Place High Series Team, and 2<sup>nd</sup> Place High Handicap Team. Damien was also awarded a Perfect Attendance pin.

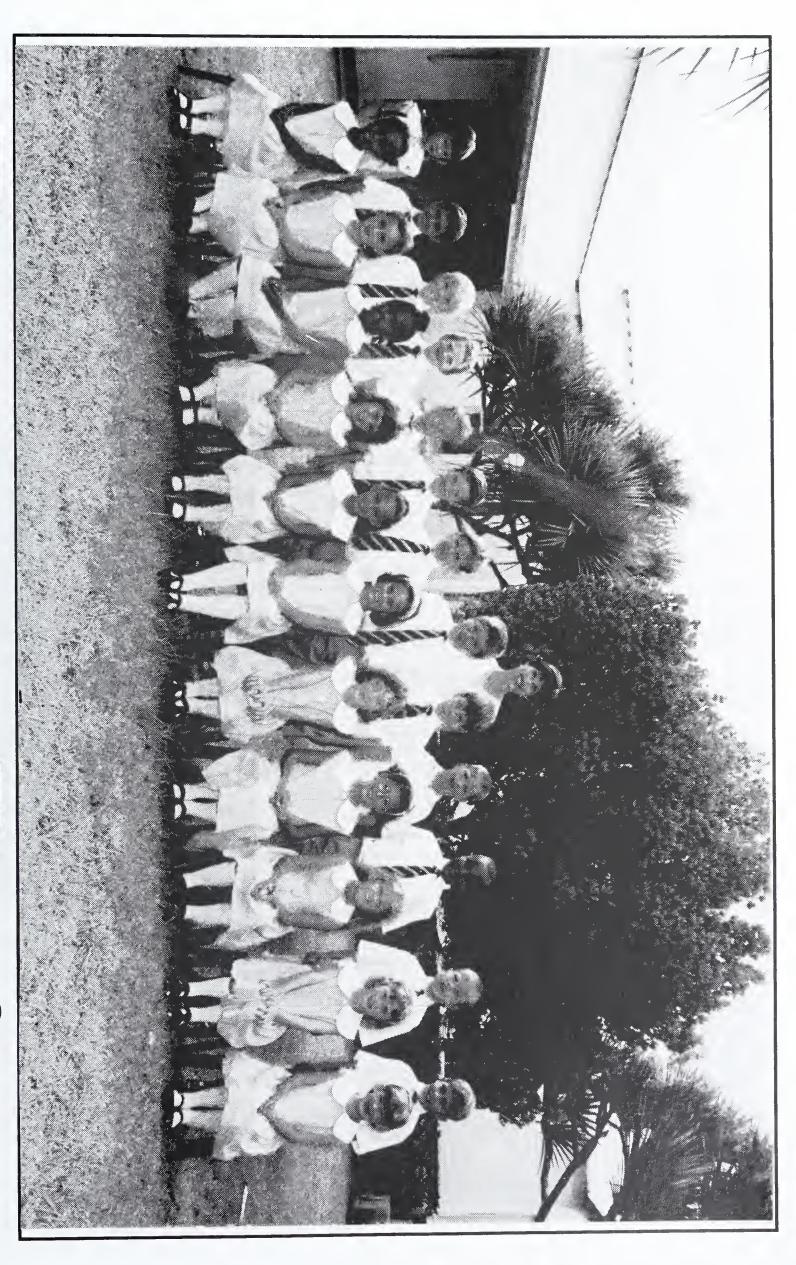

Damien is a regular feature at Warwick Lanes, bowling at least twenty games per week. Damien, a left-handed bowler, is coached by Mike Lambe and Oliver Franks, Bermuda's only certified bowling coach. Damien becently teamed up with his mother Heather to win the Rawlins Family Fun Tournament. Damien is now looking forward to attending bowling camp in the United States this summer. Damien's hero is none other than left-handed bowler, Antoine Jones, Bemuda's Commonwealth Games Silver Medallist.

Creating a brighter future together

There's nothing so powerful or as rewarding as **teamwork**. In providing Bermuda's energy, we give our young people the chance to plug in to the technology and the learning skills they need for the future. And through our community sponsorship programmes, we can assist the people whose knowledge and experience are the vital ingredients to making this **partnership** for the future work. At BELCO we know that supporting our young people is the best **investment** we can ever make.
